

2023 ANNUAL REPORT

revised at statement of financial position date. Total cost for the period is charged or credited to the income statement, with a corresponding adjustment to equity.

When equity instruments vest, the Company issues new shares, unless the Company has Treasury shares in stock.

Any cancellation of matching shares will lead to an accelerated expense recognition of the total fair value, with a corresponding adjustment to equity.

(q) Trade payables

Trade payables are amounts due to suppliers for goods sold or services received in the ordinary course of business. They are generally due for settlement within a maximum of 90 days and are therefore classified as current. Trade payables are initially recognized at fair value and subsequently measured at amortized cost using the effective interest method.
