#### DIVIDEND AND SHARE REPURCHASE PROGRAM

The Company is evolving its shareholder return policy as follows: "The Company's shareholder return policy is to maintain a stable annual cash return to shareholders which grows over time, with flexibility for the Company to make such cash return in the form of a cash dividend and the repurchase of shares. Determination of the annual cash return is based on the Company's assessment of its underlying cash flow position. The Company prioritizes a stable cash distribution to shareholders and funding of growth projects, with the option to apply surplus capital towards incremental cash returns to shareholders." The policy will be presented for discussion at the Annual General Meeting on April 12, 2024.
